Instructional Center, Room 430

GUEST SPEAKERS

TRACI KELLY

With well over a decade in the financial industry, Traci’s goal is to add more value to your world by teaching strategies that you can immediately activate to improve your business and life. Traci’s background consists of working in marketing and finance for the big companies, as well as being a serial entrepreneur. She is vice president of Strategic Planning at JML Financial Group in Cherry Hill, NJ since 2008 and the creator of TraciKellyMoney.com—a resource designed with the sole purpose to empower women to take control of their money.

JANE CORALLUZZO

Jane has been a CPA for almost 25 years, much of that time owning and operating her own firm. Her ability to simplify complicated financial matters, as well as look at tax management in a strategic yet innovative way, make Jane a trusted, effective advisor to her clients. Jane’s vast experience as a CPA and business owner, as well as wife and mother, put her in an effective position to help and empower her female clients.
