MUS 115: Basic Aural Skills

Syllabus
Lab Hours/Credits: 3/1

Catalog Description

Co-requisite: MUS 112 – Basic Musicianship

This course develops rudimentary ear training and sight-singing skills through applied practice with the basics of melodic and rhythmic notation, an introduction to solfege systems, and melodic and rhythmic dictation. No prior musical training is required for this course: its co-requisite, Basic Musicianship (MUS 112), builds basic knowledge of melodic and rhythmic notation, clefs, scales, and key signatures from the ground up. This course is designed to augment and complement MUS 112, providing reinforcement of those topics through the development of corresponding basic aural and keyboard skills.

Textbook and Course Materials

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook, and any other materials required for their specific course and section.

Department of Special Services

The Department of Special Services, located in the Instructional Center, room 425A, welcomes students of all abilities. The staff members in Special Services are committed to providing support services and ensuring equal access to eligible students with documented disabilities as outlined by the Americans with Disabilities Act (ADA) and the Americans with Disabilities Act with Amendments Act (ADAAA).

To maximize the potential of eligible students who self-identify, the Special Services staff provides an array of support services which may include extra time for tests and quizzes, testing in a separate location, advisement, interpreters, scribes, tutors, assistive technology (such as magnification devices and audio amplification), touch screen computers, audio books and notetaking assistance.

As students embark on their academic journey, they are encouraged to meet with staff members to identify, develop and implement support services that are in accord with their individual academic needs. Students are also encouraged to make use of other college support services that are available to all RCGC students currently enrolled in credited academic courses, such as tutoring services and the college library, which offer online information research and other materials needed to complement their studies.

Students registered with the Department of Special Services and who plan to earn an associate degree, further their education and transfer to a four-year institution, or enter the workforce, are encouraged to choose a corresponding program of study (college major) as soon as possible. The Special Services staff assists enrolled students with additional support that focuses on advancing students through their selected programs of study towards a goal of graduating.

Students who request academic support from the Department of Special Services can be assured that confidentiality will always be maintained. Accommodations are provided to address the special needs of individuals with disabilities under Section 504 of the 1973 Rehabilitation Act and the Americans with Disabilities Act (ADA) of 1990 together with the ADA Amendments Act of 2008 (ADAAA). Under these acts, the office advocates a user-friendly campus for accessibility and a learning-friendly campus for academic success. For more information or to schedule an appointment to meet Special Services staff, please call 856-415-2265 or click here for RCGC.edu/SpecialServices.
To Register with Special Services

Students must follow these steps:

- Complete and submit the Student Profile form. Click here for the Student Profile Form.
- Submit documentation detailing the student’s disability. Support services will not be granted without documentation specifying the student’s disability. Documentation should include the following information:
  - Diagnosis with written evaluation of current disability;
  - Date the student was diagnosed;
  - Tests used to reach diagnosis;
  - Credentials of the medical professional conducting evaluation
  - How the disability affects daily activities and/or academic performance.
- By clicking on the following links, students can download the Special Education Records Release Form and/or Medical Release Form to present to their medical care professional.
- Contact the Special Services office to schedule a meeting with a staff member.
  - Students should schedule a meeting after submitting the Student Profile Form, proper documentation and completing the College’s placement test. (Click on Special Accommodations for Placement Testing to determine whether student should arrange his/her placement test through the Special Services office or the general Testing Center.
  - During the meeting, the student and staff member will discuss his or her disability and determine eligible accommodations.

Accommodations

Students who qualify for accommodations are encouraged to register with the Department of Special Services at RCGC before they begin their academic career at Rowan College. This allows students to take advantage of any special accommodations and auxiliary aids that they might need and be eligible to receive.

- **Special accommodations** include but are not limited to extended time on tests, private test rooms to complete tests with the assistance of a reader or scribe, as well as a distraction-free test room.
- **Auxiliary aids** include but are not limited to note takers, tape recorders, large display calculators, interactive calculators, desktop magnifiers, large-screen computer monitors, touch-screen computer monitors, touch-screen laptop computers and JAWS® software. More information about adaptive technology can be found on the technology link. Students are responsible for identifying which accommodations and auxiliary aids they require for academic support.

Confidentiality

Students who register with the Department of Special Services are assured that their information is kept confidential.
In addition, the student’s transcript will not indicate that he or she is registered with the Department of Special Services. The student’s specific special need is not disclosed to the student’s instructors. However, accommodation letters are sent to each of the student’s professors if the student needs testing accommodations or accommodations in the classroom. It is the student’s choice whether or not to disclose the specifics of his or her special need.
